

# LOFRANS WINDLASS MASTER PARTS LIST

## MARINE PRODUCTS

The first sections of this parts list are the combined parts kits. These are broken into six types: Motor Brush Kits, Seal Kits, Fastener Kits, Key Kits, Circlip Kits and Pressure Finger Kits.

The second section is a complete list of individual components sorted by Lofrans Part ID Number. Some Lofrans parts are only available in the parts kits as mentioned above.

To purchase one of these items on the site put the Imtra or Lofrans item # into the search our products field.
